DRAGON LADY!

"I SMELL FUNNY"

...says woman who chopped off her nose & ears

LEAPIN' lizards! If the creature formerly known as Richard Hernandez, turned up in your back garden you wouldn't know whether to hide all your treasure or feed it some raw meat.

Richard, who these days goes by the name of Eva Tiamat Baphomet Medusa, or Eva for short, has spent several years and a fair amount of dosh tryin' to turn into a DRAGON.

A CHICK dragon, at that, 'cos Eva also now reckons she's female, even though she hasn't got around to having the whole dick-ectomy operation yet.

To be fair, Eva's been busy, what with getting all-over tatts, dyed eyeballs, horn implants, tongue splitting, and more recently, the removal of half her nose and having BOTH EARS cut off.

So say what you like about Eva, it doesn't matter – she can't fucken hear you.

The 55-year-old ex-banker from Arizona says: "I am the Dragon Lady... in the process of morphing into a human dragon, becoming a reptoid as I shed my human skin and my physical appearance and my life as a whole, leaving my humanness behind."

Yeah, OK, we get all that, but Eva's still gunna have to be really careful she doesn't get stabbed to death by a HOBBIT. ■ Picture

OOTY

Alexis Adams is the next porn superstar!

IT'S not just that she's as cute as a basket of puppies and has 34C tits that look like they were personally sculpted by the hand of God that has seen Alexis Adams rocket up the list of porn stars most likely to conquer the world.

All that helped, of course, but it's not like the 23-year-old from Florida just sat back let it all happen.

No way. Aside from being the total package hornbag-wise, Alexis is an ambitious young go-getter who wasn't gunna let opportunity pass her by after she first appeared in *Playboy* at age 18.

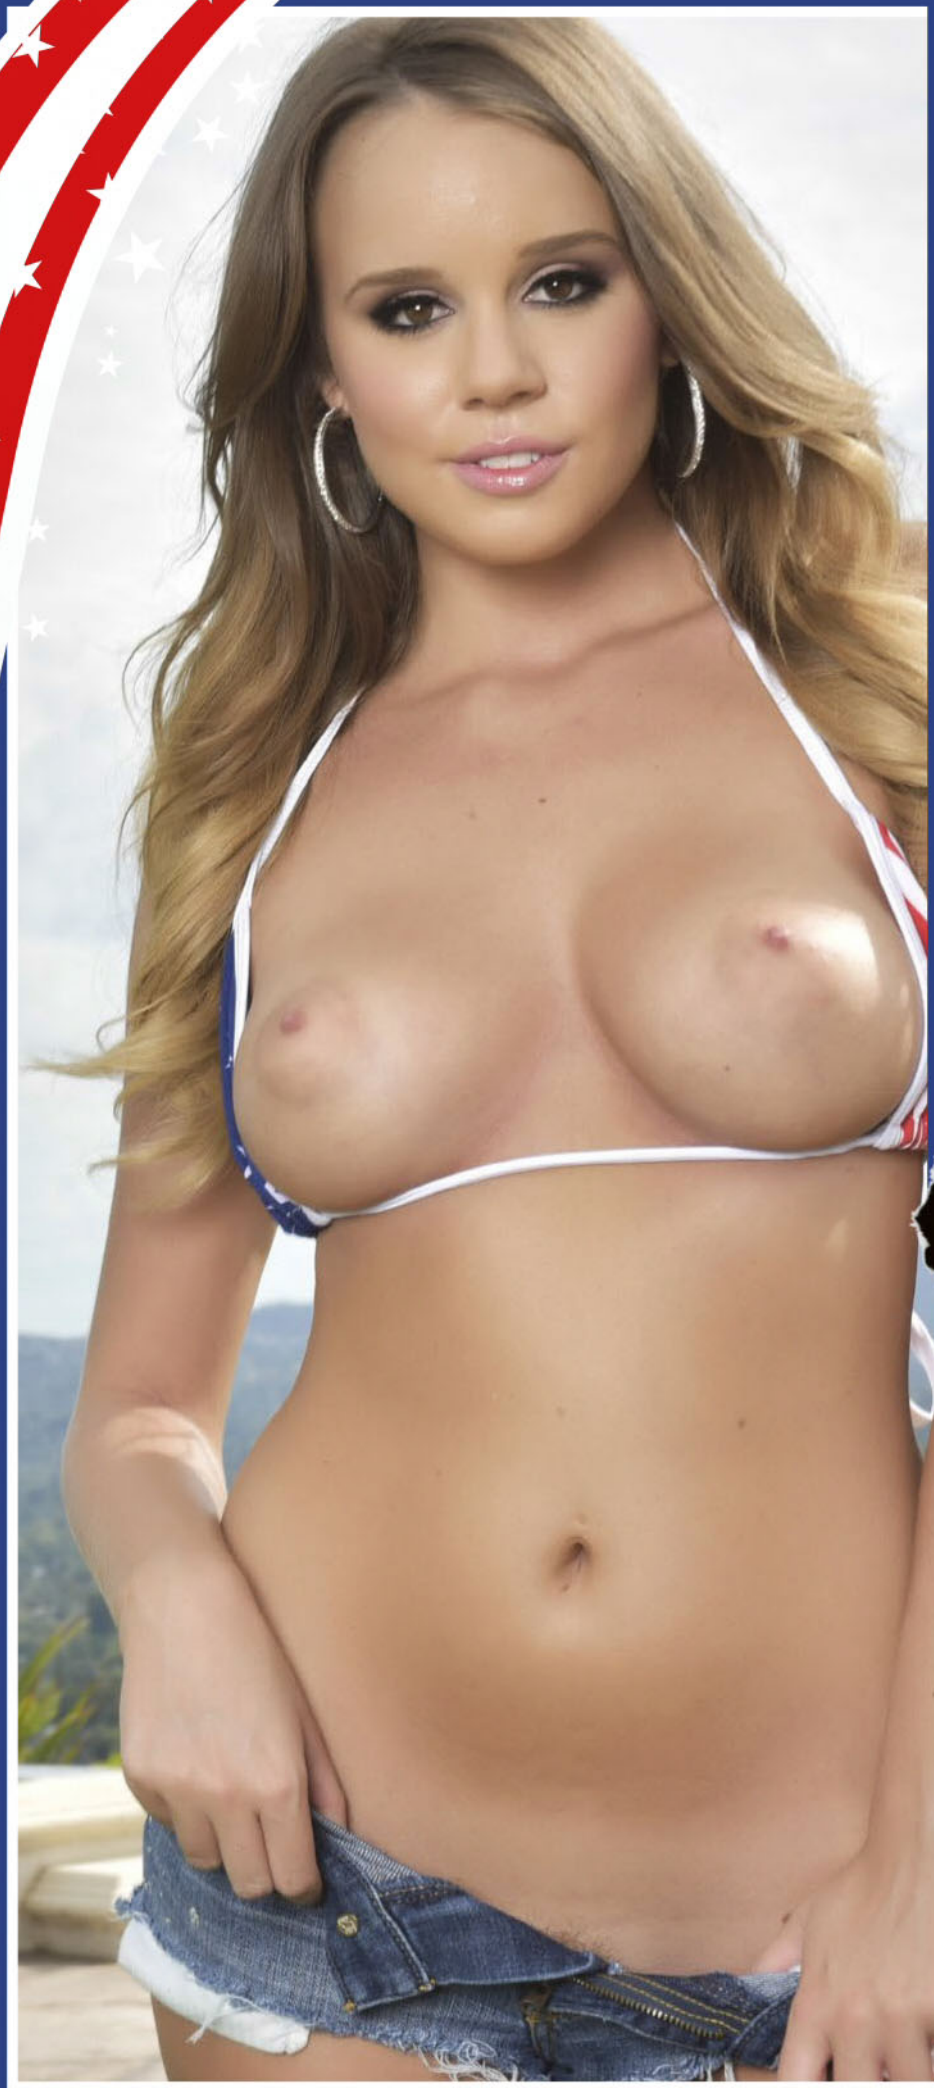
Tits On the block

NO PLASTIC, JUST FANTASTIC!



New Tits

"I felt there wasn't enough work in just the nude modeling, and seeing girls do hardcore scenes, I'm like: "Oh, I can do that! If not better!" she reckons.

See? She's got the right stuff. But at the same time she's HONEST, LOYAL and TRUE, just like a boy scout.

For instance, she stuck to rooting only blokes on screen for yonks because, she says, she wasn't naturally lez-inclined and didn't want to let her fans down by "faking it".

Thankfully, though, she eventually evolved enough AS A PERSON to break out of her hetero strait-jacket to go girl-on-girl in Party Of Three 16,

On the block
“I’m down to try anything”

"I like to get dirty and rough"

released just a month or so ago, but you still have to admire her integrity, along with her EYE-POPPING NORKS.

She's even turned down lucrative offers to do appearances as a feature dancer in strip clubs in the US because she reckons she wasn't up to it.

"I mean, I could fuck on stage, but dancing? That's when I get nervous!" says the little trouper.

Sounds like a fair compromise to us. Where do we buy tickets?

And on the way from being the starry-eyed 18-year-old she was when she started in the business, to the stage she's at now where she's one of the rising stars in it, what else has Alexis learned about herself?

"I've learned that I'm a lot less prudey. I like to get dirty and rough. I'm down to try anything in my personal life. I'm very sexual and I like rough, dirty sex."

Anyway, we're keen to see where else this personal journey of discovery takes young Alexis and her stonkingly wonderful rib-monkeys, so we'll be following her career closely.

Erm... but not so closely that you could call it stalking. We'd like to make that very clear. ■ Picture

Wobbly World

Warning: May cause blindness

MONTE CARLO!

Trish had such a nice holiday in this hotel she thought she'd celebrate by flashing her tits while they totted up her bill. They ended up giving her a 20 per cent discount.

ROME!

Marta hopes to represent Italy in the next Olympics at table-tennis, but she's shit at it. No worries, but – she's worked out this great tactic to distract her opponents.

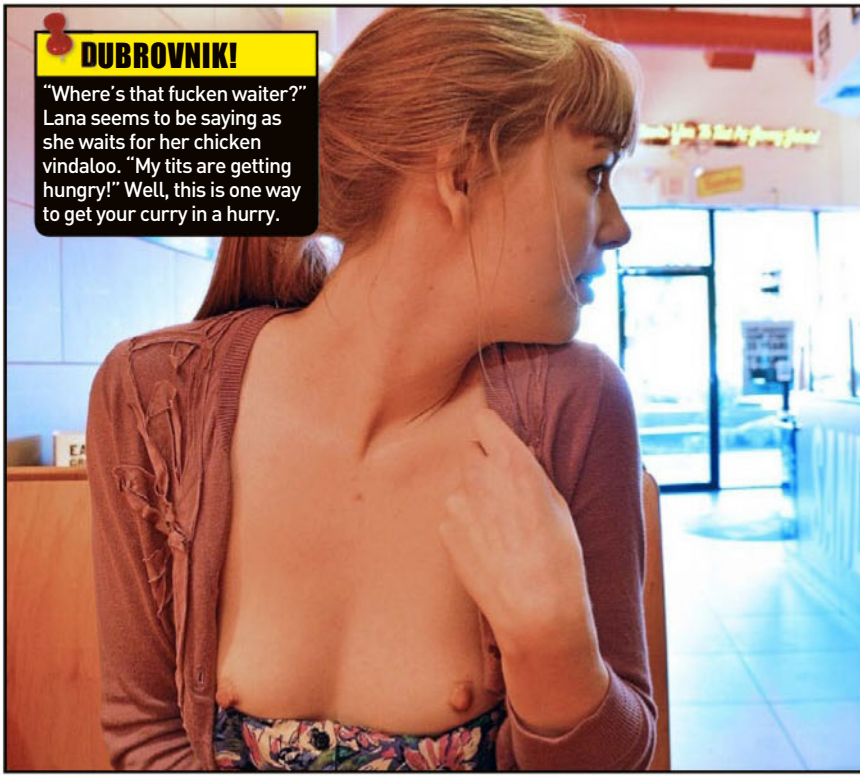
MAUI!

Lola loves to toke up a bit of Maui Wowie and get spiritual sitting in a big field of flowers in the sunshine. Just to pass the time, she likes to tickle her titties with her ponytail.

GETTY, MET-ART, FTV

MAJORCA!

Mia is so used to sunbaking topless that when somebody gave her a bikini she didn't know what to do with the top bit, so she uses it as a pair of thigh pads. Don't tell her, eh.



DUBROVNIK!

"Where's that fucken waiter?" Lana seems to be saying as she waits for her chicken vindaloo. "My tits are getting hungry!" Well, this is one way to get your curry in a hurry.

THE BLACK SEA!

Kaleesy's got the captain's hat on, and that means she's in charge. So when she says "Everybody strip off" you better bloody do it or she'll have you flogged!

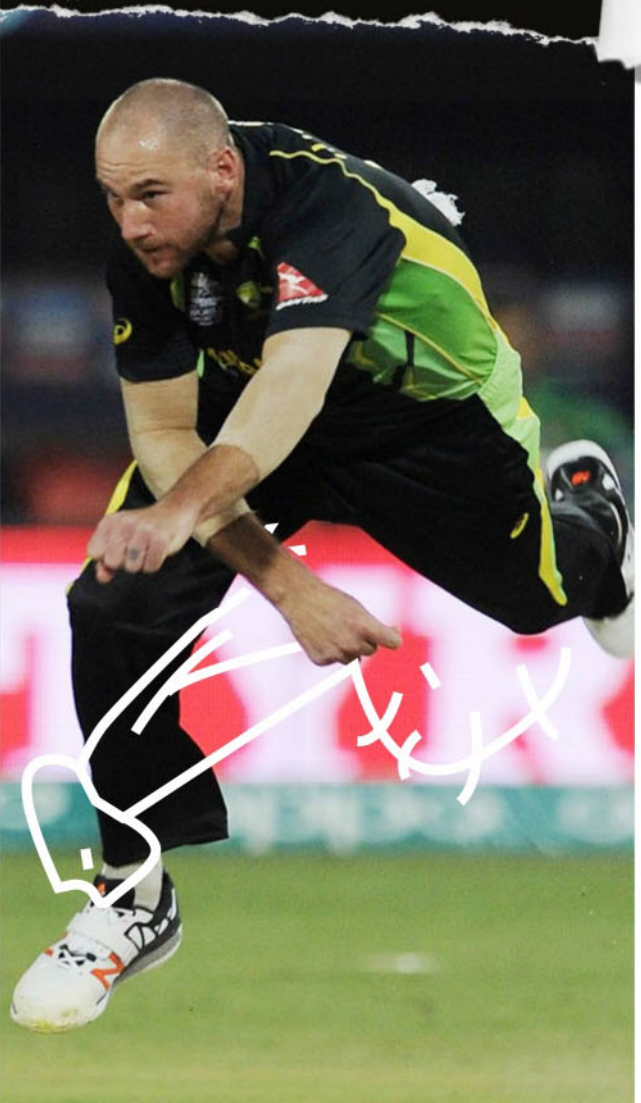
#266 WE DREW A COCK ON IT



DRIVE YA MAD

JUST a quick warning – if you're ever looking for builders in South Carolina, USA, don't hire the ones that bunged up this place. Or at least not the cunts that put in the driveway the wrong way round. Garn, check it out. Sure, it's a nice bit of concreting as far as it goes – which is all the way up to the side wall of the garage. And nothin' around where the garage doors are. Well, that's what you get when you hire cowboys.

FART ATTACK

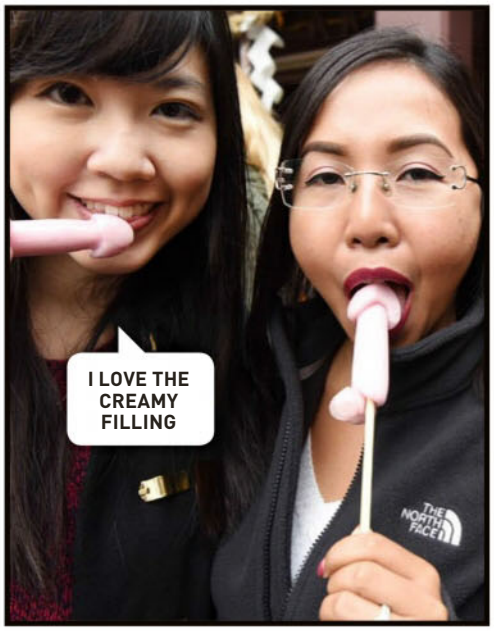
A SHEILA in Sweden reported a bloke to the cops for FARTING when she refused to root him. Police in Laholm, Sweden, said the chick told them she invited the bloke back to her flat, but when she said she didn't want to play hide the sausage, he ripped off a stinky one. "It smelt very bad in my flat after he left," she said in her police report. A police spokesperson said that they were obliged to check if a crime had been committed.

PORN LOTTO

A RUSSKI teenager has won a 30-day date with a hot porno star in an online contest. Ruslan Schedrin, 16, gets to shack up for a month with acclaimed Russian ROOTRESS Ekaterina Makarova after acing the comp on a computer gaming site. "When I meet her, I'll say, 'Hi, I've won you'," he EJACULATED. Ekaterina reckons she'll root him, but Ruslan's mum freaked out: "How could they get such an idea for a 16-year-old boy?"

SEE YA LATER!

WE ALWAYS thought Seppo alligators were about as scary as blue-tongue lizards, but this fella ain't bad. It's no salty, but this 4.5m, 450kg champion, which was shot in a swamp in Florida a couple of weeks ago, looks the goods to us. It'd been scoffing down heaps of cattle on a farm near Okeechobee until bossman Lee Lightsey and professional hunter Blake Godwin snuck up on it and popped a round into its thick skull. Nice one, Seppos. Now, waddya got in the way of drop-bears?

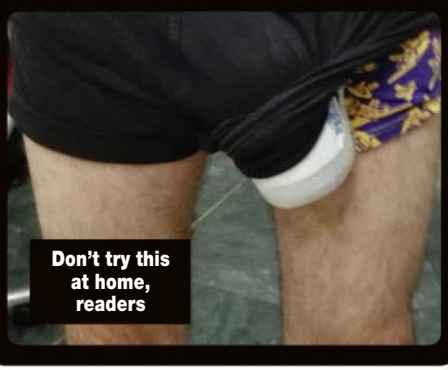


COCKFEST

THEY love the cock in Japan, especially during the Festival of the Steel Phallus. The yearly knob-worshipping extravaganza, called Kanamara Matsuri in the local lingo, takes place in the Tokyo suburb of Kawasaki. There's a parade with portable dick shrines, dick-shaped lollipops, dicky-back rides on a giant wooden cock – it's like the Royal Easter Show with SCHLONGS! It's all about some old Shinto god of fertility, but mostly people are just there for the BULK PENIS.

LARGE COKE

THIS bloke thought he'd get to waltz through customs at Madrid airport with everyone thinking he had a huge cock. But they stopped him after spotting "a suspicious package between his legs," and found that the bloke's monster HOSE was actually made of COCAINE. Spanish feds released this photo of the brazen attempt to smuggle the druggie-wugs in from Costa Rica as a warning to other potential crims that they're already on to this dick-made-of-cocaine trick.



SMOO BREW

New beer combines the two best things in life

EVER slugged back a coldie on a hot day and idly pondered: "If only this beer had the invigorating taste of smoo about it..." as you turned the steaks over on the barbie?

Well, have we got news for you.

A Polish company is planning to make a beer using the bacteria from a hot Czech model's life-giving VAGINA to kick along the brewing process.

"Using hi-tech of microbiology, we isolate, examine and prepare from vagina of a unique woman," the geniuses announced.

"The bacteria, lactobacillus, transfer woman's features, allure, grace, glamour, and her instincts into beers and other products, turning them into dance with lovely goddess." Erm... yeah!

The donor is apparently Czech model Alexandra Brendlova (right), who appears to have no previous brewing experience.

The Order of Yoni – that's the company – have started one of those crowd-funding thingos to kick it off, and reckon they'll eventually brew a whole range of smooey ales and lagers made using EXTRACTS from the YUMMY MOOTS of other hot babes.

If you chuck some dosh at them you can get some of the beer when it's ready, as well as bottle openers, T-shirts and all the other usual promotional malarkey.

If you chuck 'em A FUCKEN LOT of money – around $15,000 – they'll even make a brew of 60 half litre bottles for you using the bacteria from the blessed moot of YOUR OWN MISSUS.

On second thoughts, it might be cheaper just to drop one of her used G-bangers into your home-brew. **Picture**

Nadya
Luba
TWO GOOD!
Hottest twins on the planet are double the fun

YOU'D think that there could be nothing better than a set of 34D tits, a rounded, bouncy arse and a friendly, winking smoo.

Well, how about TWO sets of 34Ds, TWO bouncy arses and TWO top-quality vaginas?

Cos that's what you get with Luba Shumeyko and her twin sister Nadya, the Ukrainian models who have been wowing wangs around the world for years now, both together and separately.

Although they're not identical twins, they're pretty hard to tell apart. We can't, and we've examined every picture we can find of them in INTIMATE DETAIL.

The girls have done heaps of photo shoots where they rub sisterly skin, but don't let your dirty mind get the wrong idea – they don't LEZ OUT or anything, cos that would be just WRONG.

It would appear from these photos that they do, however, sleep in the same big, comfy bed.

That's probably due to the well-documented chronic furniture shortage in the Ukraine, we reckon.

Although it could have been because, Luba was visiting Nadya back in Kiez and Nadya doesn't have a spare room.

'Cos Lubs is now married to Norwegian nudie photographer Petter Hegre and they live in Barcelona.

Oh well. But last we heard Nads is still single, so brush up your Ukrainian and get on over there.

With any luck, Lubs might be dropping by for the weekend. ■ Picture

-CLASS SE!

The 8 hottest bums in porn

BUTTS, badonkadonks, booties, whatever you wanna call 'em, arses are an essential part of the overaall rooting experience.

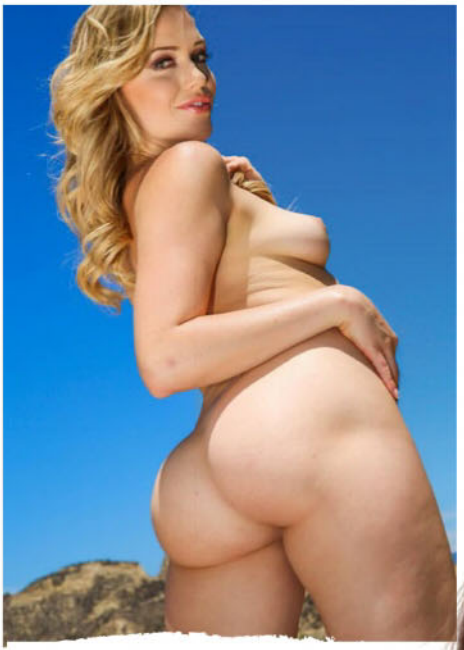
Remember what rock legends Spinal Tap sang on their 1973 hit *Big Bottom* – "the bigger the cushion, the sweeter the pushin'." True that!

Cos without an arse to back up that sweet, sweet smoo, missionary position would be like fucking a hole in the mattress. And doggy style would be completely shithouse – nowhere to put your beer!

So here's to arses, especially the ones attached to these gorgeous, highly acclaimed fucktresses, without which the world would be a sadder, less jiggly place. Picture

CHRISTY MAC

The star of *Ass Parade 38* AND *43*, Christy has a butt that's so wild and unruly it has to be kept tied down to stop it going berserk and destroying cities.



MIA MALKOVA

She may only have C-cup titties up front, but Mia makes up for it with a bodacious set of bumcakes around the back, just waiting for a thickly spread layer of ball butter.

KENDRA LUST

A MILF with a mother lode of a boo-tay behind her, Kendra straddles two porn genres like a big-arsed colossus. Her bum-rack could block out the sun.

SARAH VANDELLA

The star of dozens of butt-related porn masterpieces, Sarah keeps her arse in tip-top condition – it's so clean you could eat your dinner off it. As long as it's not soup.

KRISTINA ROSE

Kristina, a nine-year veteran of the biz, has shot so many arse-centric scenes, her beaut big booty earns more than she does!

DANI DANIELS

Dani knows the old saying "anything more than a handful's a waste" doesn't apply to her arse, but she likes grabbing it anyway.

JYNX MAZE

The upside to having a booty like Jynx's is that she's managed to turn it into quite a money ticket in the porn biz. The downside is never being able to get jeans that fit.

LOOKING at Madison Rhys on her hands and knees, collecting mandarins, you might reckon she's thinking about getting her fill of vitamin C.

You'd be dead wrong, because the only thing the PICTURE babe has on her mind is a hot beef injection. "I just love the dick," the 27-year-old Perth STUNNA says. "I'm not interested in toys or anything, I like the dick *au naturel*."

Is there a particular type of tockley you're looking for?

"Surprisingly, I've have had an array of dicks in my time, but it's not the way it looks that matters. Men of Australia have to ask themselves, what they can do with their dicks? They have to bring their penis game."

Have you come across a cock that was

"I once slept with a guy with whose cock was bent in U-shape. It felt like he was scraping my arsehole from through my vagina."

And that was a bad thing, eh?

"Definitely."

How do you like to be boned?

"I like anything that gives deep penetration, so doggy or me on top."

Do you lose control when you're rooting?

"When I come, I'm a bit of screamer, but I'm not a squirter."

What do you get up to when you aren't BUMPING UGLIES?

"I work for Allure Entertainment. They hire out topless waitresses and strippers."

Is it a good way to earn a crust?

"I like the freedom and getting paid to party."

Any advice for blokes hiring strippers?

Back on dicks again. Do you bonk birds as well?

"I like girls for sex, not relationships. Fuck, I wouldn't dare date a girl."

If you had a team tonk, would there be tussles over the tockley?

"I've never had to fight over the dick. It comes to me pretty naturally, and once I get it I'm not one to share."

What's something that shits you in the sack?

"Don't stick it in my arse; not every female likes to be poked in the arse. I've got a couple of good friends who can take a mean dick up the arse and they love it, but the majority of us don't."

If the chocolate starfish is off limits, how do you want your LOVE TRENCH to be treated?

"Guys can always pay more attention to it. It should be lubricated – you've got to preheat the oven before you put the chicken in."

What gets your juices flowing?

"You've got to eat the pussy, and foreplay needs to be fun."

Do you like giving blow jobs yourself?

"I don't mind them but they don't call it a job for nothing. If I come first, I might not return the favour."

Sofa, so good!

HOW LONG DID IT TAKE TO BUILD?

We've probably been working on it the past 12 to 18 months. It was actually a chook run with a shed attached, so we took down all the chicken wire and closed it in. My wife [That'd be the lovely Julie – ed] helped pull apart all the pallets that it's lined it with

REASON FOR BUILDING

We live in the middle of the bush so we can't just go to the pub and have a few beers, so we built this instead. The house is only small, so it's our entertainment area for when people come round.

FEATURES

Not much yet. So far there's just a fridge, a bar, a TV and a stereo system, and a potbelly stove. I've got a dartboard but I haven't hung it up yet. It's still a work in progress. I want to get a pool table and maybe a video game and put some stuff up on the walls, but it's got a rough, country feel to it so we'll keep it like that. It won't get too fancy.

BUFFALO SOLDIER!

Lions get the raps for being all brave and noble and that, but the reality is that the smelly fleabags are a bunch of mongrels that only pick a fight when there's about 10 of them up against one other critter. So instead of a group of lions being called a "pride", it should really be called a "shame". No wonder the Poms call their national rugby league team the Lions. Yeah, we know, some of you may be shocked and offended, but we've done our research, and we've come to the conclusion that lions are cunts. Buffaloes, on the other hand, are beaut brave bastards who look after their mates and always buy their round. Like this big, boofy bastard in the Mala Mala Game Reserve in South Africa. He saw a bunch of the cowardly cats attacking his mate, so the courageous champion waded in and gave them the horn – both horns, actually. It was all a waste of time 'cos the lions ate his mate anyway, but at least he managed to bore one a new arsehole and give 'em all something to think about. Good on ya, buff. Fuck you, lions.

Talking Dirty

100% uncensored sex advice from Australia's hottest stripper!

"I REGULARLY HAVE SEXY THOUGHTS ABOUT MEN"

DOWNSTAIRS PLUMBING

TRIN, my mother-in-law is getting on in years, and occasionally I drop around to change light bulbs, fix the television or the dishwasher. She's not got dementia or anything like that, just getting old. But the other day she flashed her pussy at me and winked. I mean, it was a deadset pussy flash like in that Sharon Stone movie – no undies and a shaved moot. What should I tell my wife? And what tradies do you reckon are the hottest?

JEFF, WHYALLA, SA

TRINITY SAYS: ***Plumbers have always been my weakness - for some unexplainable reason I just seem to be attracted to them. Love my tradies. As for your wife, I'd just tell her exactly how you just told me. Bit of an awkward situation really.***

TALK DIRTY TO ME

HI TRIN, my girlfriend is a real potty mouth in the sack and I find it quite off-putting. I'm a very refined gentleman and some of the things she says are just obscene! How do I get her to shut her mouth without hurting her feelings?

BRIAN, LILYDALE, VIC

TRINITY SAYS: ***Stop being so sensitive, hun! Maybe you should have a try at talking dirty back to her and see how it feels, who knows, maybe you'll love it. But if it's a real problem then just let her know how you feel.***

COME IN THE SPA!

THE other night I sucked my boyfriend off in the spa and he blew all in the warm water. Now a few days later I'm starting to feel a little queasy and I'm worried I have morning sickness. Trin, is there any way I could be pregnant from his sperm swimming through spa water and into my vagina?

KIA, BROADMEADOW, NSW

TRINITY SAYS: ***I'm no doctor, babe, but I've never heard of anyone getting knocked up through spa water so I doubt you're pregnant. But if you really think so maybe you should go get a kit and double check. Good luck, hun!***

WHAT A SHWANKER!

I'M A very busy man, Trinity, and as such I've developed a new technique to save time – SHWANKING – it's when you have a shit and a wank at the same time. Have you heard of this before? I'm a real entrepreneurial type, so I hope I'm the first to think of this innovative new idea.

BRENDO, NUNDAH, QLD

TRINITY SAYS: ***Yuck! Mate, that's fucking disgusting. That's definitely the first time I've ever heard of shwanking and I hope it's the last. Keep it to yourself!***

THE BIG '0'

HI TRINITY, I heard that women's vaginas lose sensitivity the deeper you go – is that true? What feels better – clit orgasms or penetration orgasms? Can both happen at the same time? Why are women so confusing?

JON, HAMILTON ISLAND, QLD

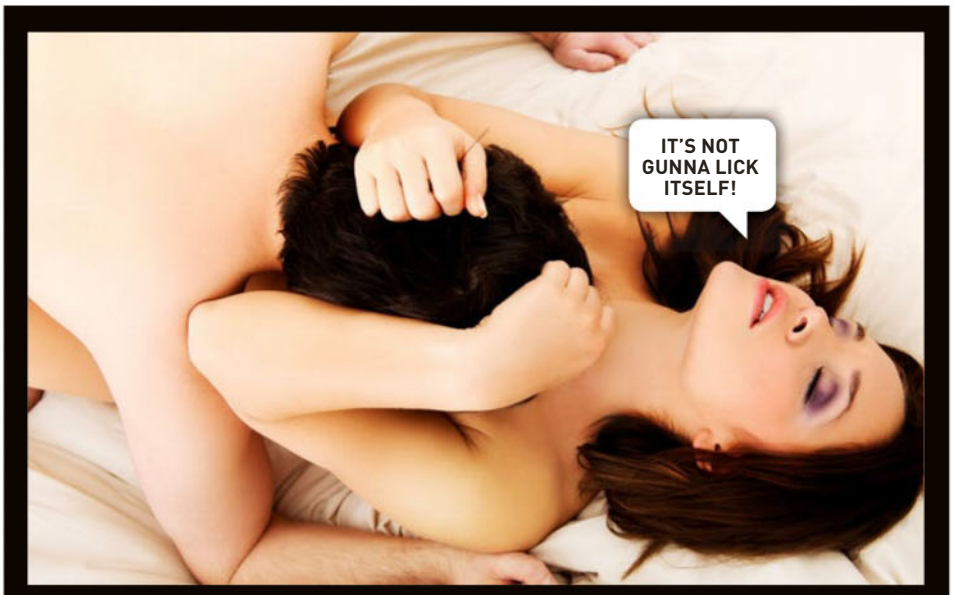
TRINITY SAYS: ***Every woman is different, mate. Some prefer to orgasm via the clit and some prefer a good, deep, hard fucking. Both can happen at the same time - so next time you're with a chick you should try playing with her clit while your cock is inside her. You can thank me later, babe!***

IN THE SACK

LONG time fan here. For years I've been reading your advice in this column and I've always wondered what it'd be like to stick one in you, Trin. Not just 'cos you're hot, but 'cos you seem like a funny bird as well. I've resigned to the fact that probably won't happen, so can you help me and my wank-bank out and tell me what you're like in the sack? Loud or quiet? Submissive or dominant?

LUKE, WHYALLA, SA

TRINITY SAYS: ***I'm loud and can be either submissive or dominant – it all depends on who the person is and what mood I'm in. I used to be very dominant but as I've gotten older I very much enjoy being submissive – to the right person who actually knows what they're doing.***



TRINITY'S SEX TIP

Don't rush through foreplay – unless that's what she wants. Trust me, take your time, it'll be so much hotter and she'll orgasm much, much harder at the end.

IS THAT YOU, TRIN?

I WAS having a chinwag with a mate the other day and he said you did heaps of porn, but I thought you were just like a model and stripper. Who's right, Trin? Have ya been in stick-flicks before?

K.M., ROEBOURNE, WA

TRINITY SAYS: ***Your mate is a retard! I've never done porn. NEVER. Not that it's a bad thing; I love porn and have many friends in the porn industry. Anyway, you are correct, I've only stripped and modelled.***

STRIP TIP

HI TRIN, the other night I tried to do a little strip show for my boyfriend but I just couldn't do it. I felt so awkward and couldn't stop giggling. Can you give me any hints? What's the secret behind being a good stripper?

P.L., MACKAY, QLD

TRINITY SAYS: ***Don't strip for your man! It's much easier doing it in a room full of strangers, trust me. I tried doing the same thing and got just as nervous. But if you really want to, a few drinks always helps the old nerves and then go for it - don't hold back. The freer you are the better.***

WHAT WOMEN WANT

G'DAY, I love fucking chicks, it's all I think about. I wake up and think about fucking chicks. At work, I think about fucking chicks. At dinner with me Mum, I think about fucking chicks. My question to you, Trin, is do women think about rooting blokes as much as we think about porking them? How often do YOU think about sex every day? Cheers.

KLINGA, DEE WHY, NSW

TRINITY SAYS: ***I regularly have sexy thoughts about men but not always about fucking. Women and men are on a different level when it comes to sexual thoughts and feelings. Yes, we can be very naughty in our thoughts, but I wouldn't say it's as constant as to when we are out having dinner with our parents.***

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

WILLIAM Tell was famous for shooting an apple off his son's head with a crossbow, but Pommy teenager Lewis Tavernier didn't have that level of accuracy.

The 17-year-old copped a crossbow BOLT – a vicious cunt of a thing halfway between an arrow and a bullet – to the face after his weapon went off unexpectedly.

Lewis, who doesn't SEEM like a stupid kid, had taken his crossbow to a mate's place to do some target shooting, and swears blind that he put the safety catch on before placing it on a desk.

But the thing just fucken WENT OFF and pinged the bolt into Lewis' boat race from a metre away, burying the bolt seven centimetres into his cheek bone.

"It was so quick and powerful I didn't really feel it go in. I just remember saying: 'Mate, is there an arrow in my face?'

"I was in shock because it didn't hurt at all at first."

Lewis' mate's dad drove him to hospital, where the docs told him that a few millimetres one way or the other and he would have either been dead or left with a permanently paralysed face.

"I wasn't in much pain but I couldn't believe what had happened, it was so unreal," he reckoned.

The surgeons whipped that sucker out, and Lewis' was good to go home in a couple of days.

"I was terrified I was going to lose my eye and I feel so lucky not to be brain damaged," he said afterwards.

Lewis doesn't appear to be some ratbag teenager who causes his parent's grief, and we would like to avoid this bit if possible, but we're still obliged to say – GET UP YA SOOK! Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

FUNNY STICK FLICKS

MUNGO, the latest trend in porn seems to be triple X-rated versions of mainstream movies and TV shows. Do you have any favourites, and what porn parodies do you reckon they should come out with next?

P.K., ORANGE, NSW

MUNGO SAYS: Yeah, they rock. At least, the titles do. Some of my favourites have been Down On Abby, Star Trek: The Next Penetration, Buffy The Vampire Layer and Doctor Whore. Personally, I'd love to see the Mad Max series get the porn treatment – Choad Warrior, Beyond Thunderbone and Furry Moot Road as a set of DVDs.

PUT IT ON THE CARD

AT THE opening round of the AFL season I was given a free pack of footy trading cards when I purchased the game program. This got me thinking – maybe PICTURE mag could include trading cards with each issue? I know that the 'Mungo' card would be the most sought after on eBay. What do you think?

MAT, FOOTSCRAY, VIC

MUNGO SAYS: It's a nice thought, but I bet you'd have to trade at least five Mungos for a Trinity. I know my place in the world. I'd be just the joker in the pack. But I'd love to see a bunch of blokes at smoko busily engaged in swapping a Carl Lagerfuelled for a Kiki, or Scarlett Morgan for a Gigi Allens.

VOTE 1 – THE PICTURE

I'M JUST writing to say that I'll be relying on you, Mungo, and PICTURE mag even more in the coming months as we head into yet another fucking election. We are gunna get so much garbage on TV, radio and in the papers as every know-it-all dickhead tries to impress us with their analysis of the candidates and their lying crap that the only place I'll be able to get any peace is in the pages of your wonderful mag, which has always been a bullshit-free zone. If there's one thing I'd like to change about the mag, it would be more hot cars to go with the hot girls. Other than that, it's perfect. Don't let the boring cunts win.

M.N., ARNCLIFFE, NSW

MUNGO SAYS: I hear ya, M.N. We're about to enter a period of bullshit like no other. The only truth that matters lies within these pages. Stick with us, mate. We'll see ya through it.

FAP TO THE FUTURE

HI MUNGO, recently while sitting around having a beer reading PICTURE mag, a mate goes to me: "What did you pull ya dick over before you bought ya first PICTURE mag?" My first thought was Samantha from *Sex And The City*, then it was Sable from the wrestling, and of course Pam and all the other babes from *Baywatch*. Ah, the memories! How about you, Mungo? Who were your first wank bank memories of?

T.E., LAL LAL, VIC

MUNGO SAYS: Various Penthouse centrefolds, bra ads in the Sunday papers, hot tennis players in little skirts and sweaty undies at Wimbledon, Pammy of course... I could go on. But we can't live in the past. Every year there's a whole new bunch of hot babes to wank over. Here's to the future.

DICK-NADO!

MUNGO, did you fall out of a plane recently while reading PICTURE mag?

D.C., WARRNAMBOOL, VIC

MUNGO SAYS: No, I haven't fallen out of any planes lately. That must've been when I stopped for a piss on the side of the road, untrousered the mighty Mungo meat-axe and it fell out and cracked the bitumen. Don't tell the roads department, but, cos they'll make me pay for it. It's the price I pay for being hung like a blue whale.

MUNGO WANTS TO KNOW...

Send me your own porn movie parody ideas and win dosh. Who knows, when PICTURE gets into the movie business, we might even make them for you.

A BLOKE goes into a job interview, and presents himself well.

The employer is shocked at how professional he is, "Wow, you have an incredible resume, and present yourself fantastically, but you seem to be missing 5 years on this part of your resume. What happened there?"

The man replied, "Oh, that's when I went to Yale."

AN AMERICAN soldier, serving in World War II, had just returned from several weeks of intense action on the German front lines. He had finally been granted R&R and was on a train bound for London. The train was very crowded, so the soldier walked the length of the train, looking for an empty seat.

The only unoccupied seat was directly adjacent to a well-dressed middle aged lady and was being used by her little dog. The war weary soldier asked, "Please, ma'am, may I sit in that seat?"

The English woman looked down her nose at the soldier, sniffed and said, "You Americans. You are such a rude class of people. Can't you see my Little Fifi is using that seat?"

The soldier walked away, determined to find a place to rest, but after another trip down to the end of the train, found himself again facing the woman with the dog.

Again he asked, "Please, lady. May I sit there? I'm very tired."

The English woman wrinkled her nose and snorted, "You Americans! Not only are you rude, you are also arrogant. Imagine!"

The soldier didn't say anything else; he leaned over, picked up the little dog, tossed it out the window of the train and sat down in the empty seat.

The woman shrieked and screamed, and demanded that someone defend her and abuse the soldier.

An English gentleman sitting across the aisle spoke up, "You know, sir, you Americans do seem to have a penchant for doing the wrong thing. You eat holding the fork in the wrong hand. You drive your autos on the wrong side of the road.

"And now, Sir, you've thrown the wrong bitch out the window."

ALAN and Mary lived on a cove in Alberta, Canada. It was early winter and the cove had frozen over. Alan asked Mary if she would walk across the frozen part of the cove to the general store and get him some smokes and beer. "Just put it on our tab."

So Mary, being the good wife she was, walked across the ice, got the smokes and beer at the store and walked home again. When she got home she said, "Alan, you always tell me not to run up the tab at Stacey's store. Why didn't you just give me some money?"

Alan replied, "Well, Mary, I didn't want to send you out there with cash when I wasn't sure how thick the ice was!"

The guy shrugs and thinks why not. He pulls his wallet out of his pocket and lays $300 on the bar, and says slowly, "Paint... my... house."

LYALL, GOLD COAST, QLD

Q. WHAT ARE THE BOUNCERS CALLED AT A GAY BAR?
A. FLAMETHROWERS.

D.M., KATHERINE, NT

A MAN wakes up after a heavy night of drinking to find his wife happily cooking breakfast. Confused, he approaches his daughter for an explanation of last night when he arrived home.

"You kicked in the door when you couldn't get your key in the lock, fell through the table and broke it, and pissed your pants."

"Jesus!" the man exclaimed. "So then why the hell is she in such a good mood?"

"When she tried to take your pants off to wash them, you slapped her hand away and said, 'Get your hands off me! I'm married!'"

THE PROFESSIONAL

FUNNY FUCKER: TOMMY COOPER

Police arrested two kids yesterday, one was drinking battery acid, the other was eating fireworks. They charged one and let the other one off.

YOU KNOW, SOMEBODY ACTUALLY COMPLIMENTED ME ON MY DRIVING TODAY. THEY LEFT A LITTLE NOTE ON THE WINDSCREEN, THE NOTE SAID 'PARKING FINE.'

So I was getting into my car, and this bloke says to me "Can you give me a lift?", I said "Sure, you look great, the world's your oyster, go for it."

A WOMAN TELLS HER DOCTOR, "I'VE GOT A BAD BACK." THE DOCTOR SAYS, "IT'S OLD AGE." THE WOMAN SAYS, "I WANT A SECOND OPINION." SO THE DOC SAYS, "OKAY - YOU'RE UGLY AS WELL."

I went into a French restaurant and asked the waiter, "Have you got frog's legs?" He said, "Yes," so I said, "Well hop into the kitchen and get me a cheese sandwich."

I USED TO BE INDECISIVE BUT NOW I AM NOT QUITE SURE.

A drunk was driving his car down a one-way street when a policeman stopped him. The cop said, "Didn't you see the arrows?" The drunk replied, "Arrows? I didn't even see the Indians."

Priest: "Do you think there's time?"

Q. HOW IS A CATHOLIC PRIEST LIKE A CHRISTMAS TREE?

A boy is hit by a car outside a Catholic church and is in a very bad way. A man runs over to him and says, "Hang on, I'll get a priest!"
The boy says, "Can't you see I'm dying? Sex is the last thing on my mind!"

Q. WHAT'S A NUN IN A WHEELCHAIR CALLED?
A. VIRGIN MOBILE.

Sending your kid to Catholic school is the easiest way to guarantee your kid will not be Catholic.

Q. WHAT DO YOU GET WHEN YOU DRESS LIKE AN ALTAR BOY AND GO MEET THE PRIEST?

MOUNTAINS, NOT MOLEHILLS!

"I HAVE A VERY HIGH SEX DRIVE"

FROM the first moment this eye-wateringly hot 19-year-old got nude in front of the camera, she knew she'd found a new hobby.

"I thought I'd be shy and nervous, but I felt so comfortable doing it," remembered the superbly stacked Seppo-born stunna. "Now I want to do it all the time. It's a good way to make money and I love the effect my body has on men."

Hooray! Are your gravity-defying CHESTICLES natural?

"Yes. I think they are still growing, too. I was pretty flat until a few years ago and then suddenly this happened. I love their shape."

And do you happen to be single at the moment?

"It's complicated. Maybe by the time this magazine comes

"I THINK THEY ARE STILL GROWING"

out I will be, I'm not sure."

You must get ELEVENTY SEVEN offers from blokes every day.

"No, I see a lot of guys looking at me, but hardly any of them ever ask me out. I wish more guys would just do that. More often I'll get guys trying to pick me up through my Facebook page. I don't like that as much."

How do you like to get HONKED?

"I have a very high sex drive and I like to get it as often as possible. I think maybe I wore out one of my ex-boyfriends. I sometimes wake in the middle of the night and climb on top of my guy. I guess I'm pretty needy in that department."

The WEIRDEST place you've played a bit of CROTCH SOCCER is...

"I gave a guy head while he was driving one time. He had to pull over and fuck me on the side of the road. It was in broad daylight and I was pretty sure we were going to get caught."

And did you?

"Not really. One truck driver sounded his horn, but that was

about it. I've had sex in cars before, but that was the most fun."

Are you a screamer in the sack?

"No. I'm told I'm sometimes loud, but I don't remember it. I like it when a guy makes a bit of noise. And I love it when they talk dirty to me."

Do you like watching stick flicks?

"I'd prefer to be making them. If I'm going to masturbate I usually just use my imagination. I think it's better than most porn movies anyway."

I dunno, we've seen some pretty grouse pornos!

"I've heard of some crazy stuff but I just like sexy, hard sex. I've fooled around with girls a lot, but I still much prefer doing it with a man."

And what's the best way for a bloke to pick you up?

"Just ask me out. Buy me a drink. Say hello. I'm super flirty after a couple of drinks. That's usually a great time to come talk to me."

Cheers to that! Picture

OH LORDY! THEY DIDN'T TEACH US ABOUT THIS IN ASIAN STUDIES AT SCHOOL.
No indeed, and because of that educational oversight you may not be aware that Japan has a thriving porn industry that's completely separate to the rest of the world. Busty Rio Hamasaki was one of the leading lights of it until her recent retirement. But there's a rumour going around that that Rio and her F-cup funbags will make a comeback, so keep your fingers crossed.

WHAT'S HER STORY, ANYWAY?
Rio was working as a cashier in a petrol station until she was discovered in 2006 and whisked away from the pumps and cash register to star in *Busty Rio Hamasaki 18 Years Old* when she was, you guessed it, 18 years old.

THESE JAPANESE PORNOS HAVE WACKY NAMES, EH?
You bet. We particularly love *Big Tits Loving Grandfather Erotic Mischief 2* in which Rio has pensioner sex with famous wrinkly rooter Shigeo Tokuda.

FOREIGN PRINCESS

And, who could forget her 2009 hit *Super Tits Angels 2009*? Certainly not us.

WHILE WE'RE ON THE SUBJECT, THOSE TITS – REAL OR NOT?

According to our extensive research, they're 100 per cent ridgey-didge. It's a funny thing about Japanese babes, they are mostly tiny little sheilas, but some of them have these enormous norks. Must be all that raw fish.

THEIR PORNOS ARE A LITTLE BIT WEIRD, TOO.

Shit yeah! Lots of high-pitched squealing, bizarre themes, the funny titles as we mentioned before and don't get us started on the octopus stuff. No, the Japs are definitely a breed apart when it comes to stick flicks.

AND THIS RIO BIRD WAS RIGHT AMONGST IT, EH?

Yeah, she made a stack of movies, was much loved by her fans and in 2012 was voted the 26th all-time best porno actress in Japan.

WOW! WHAT'S SHE BEEN UP TO SINCE HANGING UP HER SMOO?

Y'know, the usual stuff – collecting Hello Kitty memorabilia, playing minigolf and working on her model railway layout.

HERE'S HOPING SHE COMES OUT OF RETIREMENT, THEN.

Yep, it's a criminal waste of talent that that this beaut broad is no longer in front of the cameras. Come back, Rio! ■ Picture

Lisa is OZ's naughtiest nursing student

TO SAY that flirty 22-year-old Lisa enjoys DOING THE DEED would be a massive understatement. She's obsessed. It's just a pity she's got a boyfriend.

"We've been together for just over a year and we have a great sex life," admitted the hugely rootable nursing student. "He says that I like doing it even more than him."

What sort of blokes do you usually go for?

"Usually tradies. I like a guy who is

good with his hands. I like one who is physical and can get things done. My boyfriend is a carpenter."

Is this the first time you've posed nude?

"Yes. I felt super cheeky. I don't know why people get so uptight about porn and nude photos. It's fun and people should be trying to have more fun with their lives. And there's nothing wrong with the human body without clothes."

Amen. What's the most adventurous shag you've ever had?

"My man and I are always doing it in places we shouldn't. We even had a

quickie in the change rooms at a local shopping centre recently. It was pretty awesome."

Is there anything new you'd like to try?

"Yes, a threesome with another girl. We just can't find the right one to do it with. Maybe we'll end up going to a swingers' club. I've heard those places are pretty fun."

What does your ideal woman look like?

"I'm hoping for a petite blonde. My boyfriend says he's not really fussed. I suspect he'd like to be with a girl with really big boobs."

Would you ever take on two blokes at once?

"I don't think my man would be keen to have another penis in the room. For now I think we'll just stick to

What's your favourite PORKING POSE?

"I like deep penetration, so doggy is great. I prefer getting straight to the action, too. Sex shouldn't go for hours and hours. I like it hard and fast."

Have you ever been caught in the act?

"No, but it's only a matter of time. I'm always in the nude at home and plenty of people have caught me out. I just hope nobody calls the police or something."

My Public Fuck

HELLO SAILOR

I HAD hooked up with this sensational-looking 19-year-old Julie, who was just out of high school and in her first year of uni. She was sexy as hell but still quite innocent in some ways, and because she was still living at her parent's place it wasn't that easy for us to find somewhere to root. She was always keen for a fuck, but she wouldn't even stay overnight at my place in case she pissed her olds off.

I was a budding photographer at the time, so one day I convinced her to come out on my little sailing boat so I could take some pics of her. We sailed out into the middle of Pittwater in Sydney and she had a couple of wines to get in the mood, then took her bikini off and let me snap away. Before long I'd cracked a massive boner, and I could see from the moisture appearing on her beaut moot that she was getting turned on, too.

It was all too much for us – we hadn't had a root for about a week, and the next thing I knew we were going for it in the boat. I managed to get my rock hard cock in her and she wrapped her legs around my waist, humping her hips up at me every time I drove that bad boy home. It's a funny thing that when you're in a boat you feel like you're invisible, but when I popped my head up to take a breather I noticed a few boats had stopped for a look. Some of the people even had binoculars.

Normally, Julie would've freaked out at people watching us root but somehow being on a boat made it alright, so we kept on banging away until we both came and collapsed in a sweaty heap on the bottom of the boat. I love corrupting the innocent ones!

BEACH BONGO

I WAS a horny 21-year-old when I went on my first overseas holiday to Europe with my boyfriend. We did all the usual shit, looked at cathedrals and stuff until I'd had enough of that and suggested we head south to where there were some beaches. I wanted to go to this place I'd read about in France where there was a nudist resort and a beach where everyone rooted and had orgies.

The first thing we did when we got there was race down to the beach to see all the action, but it was pretty lame, with just a few leathery, suntanned old couples lying on their towels wanking each other off. I was expecting lots of spunky nude couples fucking up a storm, so I was a bit disappointed. Then I thought, fuck it, we're here, let's go for it, so after we got naked I started giving my boyfriend my best deep-throat blowie.

I knew exactly when to stop so he didn't come too soon, and when the time was right I threw a leg over him, grabbed his dick and steered it into my dripping cunt. When I did that I had a better view of the beach and I could see things were hotting up. Other young couples appeared and started to fuck as well. Maybe it had just been a bit early before, but all of a sudden the whole place was jumpin'. We even collected a little crowd of spectators around us as we fucked, which I thought was pretty cool, and I decided to out on a show.

I jumped off my boyfriend's dick, turned around and impaled myself again in reverse cowgirl position so my public could get a good view of his cock pumping in and out of me. That even got a little round of applause! We had a great fuck, then settled back to watch everybody else doing their thing. We spent a whole week there, fucking on the beach every day. It's my favourite travel memory.

A COUPLE of years ago me and the missus had this great idea to go to the Sydney Royal Easter Show because we hadn't been since we were first going out and it would be a bit of a nostalgia trip. So we got out there and had a wander around and discovered it wasn't as great as we remembered. It was a bit boring, actually.

Our feet were getting sore, so we found a wine display and we were sitting there and slugging back a few chardies when I noticed a big Ferris wheel with little cabin things. Thinking that's be the perfect way to see the whole thing without walking around, I dragged the little woman over there, got a couple of tickets and off we went.

Suddenly, up in the sky in the fresh air and with the wine doing its magic work, we suddenly remembered how horny we'd been for each other back in the day, and we started having a bit of a kiss and cuddle, which then turned into her rubbing my hard cock through my jeans and me slipping a couple of fingers into her panties to diddle her wet moot.

We had to pull ourselves together when we came back down, but I raced over to the ticket office, bought a stack more tickets and up we went again, only this time we really went for it. I managed to get my cock into her from behind as we both looked out over the whole showground. We were even waving to the people below! Every time we came to the ground again, we had to pretend like nothing was happening and I just handed the guy another ticket, then as soon as we left the ground we went back to rooting again.

We must have gone around about eight times before we'd had enough, and when we finally got out of the little cabin we were staggering because our legs were buggered, first from all the walking around, then from the stand-up doggy fucking on the ride. It was worth it, but.

GO HARD! GO HOMIES!

This week...

BEAUT BUM ASK THE HOMIES BEDROOM BABE TOP TITS

ESMERALDA
DARWIN, NT

Twenty-year-old Esmeralda is originally from Holland, but is making a few friends here. "I once flashed some buskers while they were playing their instruments." ***To stop them playing* American Pie?** "To see what their reaction would be." ***Which was?*** "Their mouths just dropped. They missed one beat and kept going." ***True professionals. Have you flashed in many other places?*** "To be honest, no." ***Something for you to work on. What do you like about your body and posing naked?*** "I love how long my legs are. This was my first time posing naked. It definitely brought my confidence levels up. Now I have to wait to watch what other people say when it comes out." ***Do you STRIP OFF on the beach or are you the type to cover up?*** "I'm usually the skimpy bikini kinda girl. So it covers, but with more bum out than a normal bikini." **CUT OR UNCUT; GIRTH OR LENGTH?** "Circumcised, more because of hygiene and it looks better. And I guess a bit of both. But if I had to choose, probably length. The deeper the better."

"I flashed some buskers"

$200 BEAUT BUM

ANNE
NORTH MELBOURNE, VIC

"A week ago I went to strippers three times in a week," says amateur porn star Anne, 26, from Melbourne. ***Sounds a bit greedy.*** "First on a Wednesday because one of my best mates, porn star Ryan James, flew down to Melbourne for his birthday. Then again the Friday night with a huge bunch of us porn stars. Then my girlfriend and porn star Lucie Bee from Sydney rang me on the Tuesday. We had two sets of two girls."

CUT OR UNCUT; GIRTH OR LENGTH? "I prefer length, but to be honest a medium sized or a nice large one, not a monster, is the best. Girth is great as well, no matter the length, because you really feel them hammering you or sexually sliding in and out so well. And that is so hot and has me dripping for every feel. Length really hits all the right spots and is especially amazing in doggy if they go fairly hard. And I love either circumcised or not. Although, if I had to choose, I would go with circumcised because it means there's more of the penis that I can get to, to deep throat them all the way, maybe."

"I haven't been with too many men"

MINX
PERTH, WA

"Burlesque to me has always been a bit of a hobby," says 24-year-old Minx. "I love the comedy side of it." ***We like the TITS-OUT side of it.*** "As well as the sultry tease. I love the outfits, the glam and the way that if you do it right, it can leave people hypnotised." ***What else do you get up to?*** "I'm a bit of a geek, I play guitar; I love playing Skyrim; and I'm a champion fire dancer. I love to perform and I love to sketch my favourite comic book characters, my favourite being Venom from *Spider-Man*." ***Anything more raunchy for us?*** "I would like to tell you a whole bunch of sordid tales about what I get up to, but how about I leave it to your imagination with some clues; it involves me, a few girlfriends, a hotel room and a bathtub full of champagne." ***We can fill in the blanks.***

CUT OR UNCUT; GIRTH OR LENGTH? "I haven't really been with too many men, so I have no idea."

DIOR
SEMAPHORE PARK, SA

Not only does 24-year-old Dior have a body that could give David Bowie a boner, she is also about to defend your freedoms. "I eventually will be an army recruit." ***Would you want to get deployed overseas?*** "I'm not sure yet." ***What would make you a good soldier?*** "I'm very determined and I never give up. And I have got a good attitude towards life." ***Are you looking forward to GROUP SHOWERS with other sexy army girls?*** "That would totally be the best part." ***Have you much experience showering with sexy girls in the past?*** "No, but I can't wait until I do. It would be the bomb." ***Surely the guns would be a good part of it, too. Are guns sexy?*** "There is nothing sexier than a hot chick with a gun."

CUT OR UNCUT; GIRTH OR LENGTH? "I prefer circumcised, because it's more hygienic. And it's not the size that matters to me, it's whether they can use it or not."

"There's nothing sexier than a chick with a gun"

ALASKA

NARARA, NSW

Don't get your hopes up if 23-year-old Alaska suggests a bit of doggy in the park. Chances are she's taking her three pooches for a walk. "Their names are Marley, Frank and Brutus: three boys; one lab, one Staffy and one bulldog. Frank was rescued from the RSPCA." ***What makes dogs better pets than say cats, gold fish or BOYFRIENDS?*** "They are cuddly, loyal and don't talk back." ***Is walking dogs a good way to meet guys?*** "It attracts attention from guys and girls. It's great." ***How does it feel posing nude in photo shoots?*** "I think I become more confident every time I do it. I'm still not 100 per cent on open leg stuff." ***So a porn career is not on the cards then?*** "Ha. Not unless my family suddenly went blind or they paid me billions."

CUT OR UNCUT; GIRTH OR LENGTH?

"Natural, because I think you have more to work with. Length or girth is a hard question because too much of one could be no good. But if I must choose, I'd probably say length."

Home Girls

CHARLI
WOLLONGONG, NSW

$30 ASK THE HOMIES

"After seeing you in this mag, I found a few of your sex vids online. How do you choose co-stars? I'd love to film a scene with you sucking my cock."
JOE, GLENELG SA

CHARLI SAYS: ***"My co-stars must be very polite and easy to get along with. Looks and body are a plus, but package size isn't an issue as long as they know what to do with it. Personality is the key."***

SHARNA
BEERWAH, QLD

$30 ASK THE HOMIES

"How do you keep your hobby, posing for Home Girls in *The Picture,* a secret? Does it make it even hotter being a secret?"
DAVE, TENNANT CREEK NT

SHARNA SAYS: ***"I do it because my parents don't know. And I do it with great difficulty. But yes, keeping it a secret is definitely part of the appeal."***

ASK ANY HOME GIRL ANYTHING YOU LIKE. *Chuck us an email at askthehomegirls@bauer-media.com.au or write to* **Ask The Home Girls** *c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000.*

NATASHA
ADELAIDE, SA

Twenty-year-old checkout chick Natasha is making her kit-off debut here. ***Were you nervous stripping for the camera?*** "At first, but once the bra was off I just kinda eased into it and found it rather fun." ***What next? Girl-girl shoots? A career as a PORN STARLET?*** "I'll happily do more shoots, but the porn industry isn't for me; as much as I'd love to see more curvy girls in the business." ***Heaps of blokes like the CURVACEOUS ladies. Do you watch porn?*** "I was curious, so I did watch it once or twice. Don't anymore, though. I like to think of myself as a good girl."

When do you become a bad girl? "When I started pulling guys quite a few years older then me." ***What, 80?*** "Umm no. But one was at least double my age." ***Did his experience make him a better lover?*** "Sort of. Unfortunately that relationship messed me up, but in terms of sex it was good and the experience helped."
CUT OR UNCUT; GIRTH OR LENGTH? "In all honesty, I don't know the difference. To me a dick is a dick. But the last guy had a long one and it was really good."

"I've never been with two guys again"

MYLA
CANBERRA, ACT

"My first threesome was crazy," reckons 24-year-old Myla. "It was with these two guys that I met at a nightclub, and after lots of shots we end up at one of the guy's hotel rooms." ***Helping yourselves to the tea and coffee facilities?*** "I'm not 100 per cent sure on how it started but I will never forget how it felt to have them both inside me at the same time. It was crazy, I've never actually been with two guys again since that night but it was an amazing experience." ***Which parts of you were they inside at the same time?*** "Pussy and mouth and then pussy and arse." ***Did having them in your SMOO AND ARSE feel good?*** "It did." ***What would you say to girls contemplating a bout of DOUBLE IMPALING?*** "To make sure you try with guys that will listen to you, because it can be very intense."

CUT OR UNCUT; GIRTH OR LENGTH? "I probably prefer natural, but I don't think that it makes much difference. And I think that girth is probably a bit more important than length because length is useless without a bit of width."

"I prefer being watched"

MICHELLE
EAST PERTH, WA

Michelle, 34, loves to share. "I'm still going swinging." ***We gather we aren't talking PLAYGROUNDS.*** "It's great fun. You get to try new positions." ***What's the biggest number of people you've swung with at once?*** "Only four couples per night." ***Four? Only? That's quite impressive in our often-knocked-back books.*** "Well that's how popular my look is when I'm out. Swingers like my exotic look. And I find it difficult to say no. And I don't swing regularly anymore and I don't have a fuck buddy, only my swinger partner. So I make the most of it." ***Who is lucky enough to be your swinging partner?*** "My ex-boss, who has a frigid wife." ***Do you prefer being watched at parties or doing the watching?*** "I prefer being watched." ***We'll have a look, then.***

CUT OR UNCUT; GIRTH OR LENGTH? "I prefer circumcised because it feels better. I don't need to be hassled with making sure the foreskin is in place. I can't be fussy with swinging on length and girth, but I have had just the right size only once.

MILY
BRISBANE, QLD

"I love fishing," says 23-year-old travel agent Mily. ***While naked?*** "Not naked, but definitely topless. Who likes tan lines? Not me." ***What's your biggest haul from the ocean depths?*** "Twenty-one pounds – roughly 10kg. That was a lake trout. And another was 30.5 inches but I didn't weigh it. That was a walleye, usually they are about 12-20 inches. Both were caught on freshwater lakes, not the ocean. So that's pretty impressive, really." ***Almost as impressive as you STARKERS in the great outdoors.*** **CUT OR UNCUT; GIRTH OR LENGTH?** "Natural for sure. Circumcised ones are basically all the same. But I've seen a wide range of natural ones and they all have their own special charm. It's exciting to figure out what makes them feel good, while making sure you don't hurt them. It's a fine line: one that can be easily crossed, which is enticing. And girth would be a bit more important. But length is good, too; to be able to hit that G-spot. However; regardless of what they've got, the most important thing is them knowing how to use their tool."

BAILEY
OXLEY, QLD

Twenty-year-old apprentice chef Bailey can sizzle our sausages any time. "I'm absolutely loving my job. At the moment I'm running the entrée section." ***Ideal, as you're a good starter. Of boners. Gotten hot and sweaty away from the stove?*** "Me and my ex-girlfriend wanted to find out what it was like to have a threesome, so we asked a very good mate of ours over to try." ***Did it meet your sordid expectations?*** "It was one of the best experiences I've had. It was so good to know I could pleasure her while at the same time being pleasured myself." ***What positions did you get into?*** "He did us doggy while we licked each other out. Also, my favourite position is on top, so I got on top and started riding him while my girlfriend was riding his face." ***If you want to carry out any other SEXPERIMENTS, feel free to giz a call.***

CUT OR UNCUT; GIRTH OR LENGTH?

"Circumcised. It's just a lot cleaner when you go down on him. Girth; if it's too long, it hurts."

FLASHBACK TO MAY, 2000

It was in this month that the epic Ridley Scott film, *Gladiator*, premiered. And just like the Roman emperors paid men to fight for their enjoyment, we too had our own bevvy of scantily clad entertainers - homies. Luckily they spent their time making their SMOOS and NORKS the most beautifulist in the land and not whacking each other with spikey balls.

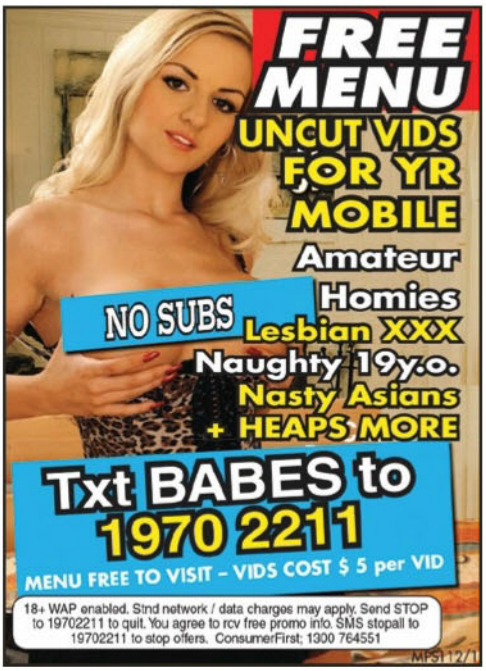
"It wasn't my first threesome"

LUCY
CLARKSON, WA

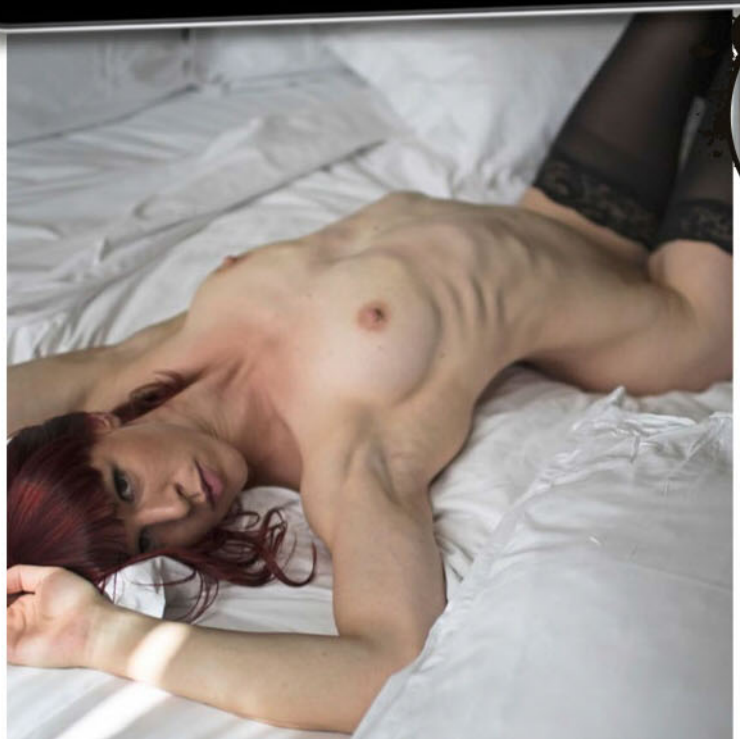
"I think the most outrageous thing I've done is have sex at a music festival in the mosh pit," says 26-year-old horse-riding fan Lucy. "It was crazy and spontaneous. I was with a girlfriend and her boyfriend at the time, and we started making out. The more we got into it, the more heated it became. I ended up bent over in front of him while he made out with my girlfriend." ***Did many others see?*** "Yes, people around us saw, some shunned and walked away, but others were well into it. It wasn't my first threesome and won't be the last. They are just more fun; there's more to do; more people to interact with; and while you're being fucked, you can make someone else come, too. But I've never done a threesome with two guys. I've always wanted to, though."

CUT OR UNCUT; GIRTH OR LENGTH?

"I like circumcised for sex, because there is less messing around and they can just get on in there, but natural for giving oral or hand job because I can do a better job. Length is better, so you can hit the cervix. Anatomy is the best, bitches."



$400 BEDROOM BABE



RIKI
BRUNSWICK, VIC

"I'm a personal trainer," says 26-year-old Riki. ***What makes your room so distinctively yours?*** "My love of lots of colour, my excessive amount of shoes and the relaxing scent of sandalwood." ***Who's lucky enough to get an invitation into the bedroom?*** "My one and only." ***If he needs a hand, giz a ring. What do you enjoy about posing nude?*** "I enjoy the empowering feeling; the total sense of freedom and comfort with my own body. I've been a life model for the past eight years for drawing and photography workshops." ***Ever gotten cramp while life modelling?*** "Ha ha. Never. I always have a good stretch before and after." ***Hmm, we fancy stretching something now, too.***

CUT OR UNCUT; GIRTH OR LENGTH? "I've only ever been with uncircumcised men, so natural would be my favourite. I love it just the way it is. Length would certainly be my preference over girth. Without length it's harder to reach all the right places. Much more satisfying."

RIKI'S TRAVEL ESSENTIALS

Water bottle "I never go far without it."

'Toys' "Pinki and Fred aren't too far away; for those nights you don't want to be alone."

Phone "I always have it by my bed, but avoid using it in the bedroom at night."

Music "I always have good music ready to play; it helps set the mood."

"I like all things natural"

LEILA
UNDERWOOD, QLD

Most home girls spend Sunday mornings nursing hangovers or getting the other two from last night's threesome to go home. But 21-year-old Liela has a different approach to Sunday: she goes to church. Yeah, we know – kinky. "I've modelled since I was 18 and I've done pole dancing, too. And I go to church, as well." ***That's a curious combination.*** "I like modelling because they even had it in the Bible too; Queen Esther was essentially a model. Queen Esther was a beautiful woman, that's how she became the queen. I've always had these two sides of my personality, the good church girl and the sexy model and dancer part of me. They are definitely opposites but the thing is I like them both. That's why I try my best to make them both work." ***Keep doing ya thing, Leila!***

CUT OR UNCUT; GIRTH OR LENGTH? "That's a hard one; I want to say natural because I like all things natural so I will go with that. As for length or girth, I will say girth because that will clarify whether or not it will be able to fit."

HOLLY
ALBURY, NSW

"I'm a hairstylist and I'm Canadian," says chestically endowed Holly, 26. "One of the more outrageously sexy things I've done was showing up to the workplace of the guy I was seeing at the time as he had to stay late. I was dolled up to the nines and the whole office floor was empty. We definitely took advantage of the staff-client wine selections, the space, the view and his boss's desk. Later we found out it was recorded by security and he was warned by the boss to just let him know beforehand next time." ***Was that your ONSCREEN sex debut or had you made films before then?*** "Not my first time on camera but no real films or anything." ***Any plans to film a sequel?*** "No plans thus far, but things happen. You just never know."

CUT OR UNCUT; GIRTH OR LENGTH?

"Haha! Plastic or silicone. But if I have to pick, I'd say circumcised just seems cleaner: sorry natural blokes. And a good balance of both girth to length. I'm not super picky, really, but I think the key is in the balance."

EVE & BAILEY

ADELAIDE, SA

"There's a lot I like about Bailey's body," states Eve, 25, when asked about her 29-year-old mate's beautness. ***We can see that.*** **Eve:** "But my favourite part about her is her lips. There's something very sensual and sexy about them." ***Kissed many girls to compare them with?*** **Eve:** "I prefer kissing girls, such soft delicious lips." ***What other bits of hers can you compare with other girls?*** **Eve:** "Her arse is a straight up 10 out of 10." ***What makes a nice TOOSH?*** **Eve:** "A nice handful, something to grip onto and can take a good spanking." **Bailey:** "I like Eve's boobs. They're big and natural. I love huge natural titties. I love all boobs, especially a good handful; heavy and with strong hard nipples that can take a decent chew."

CUT OR UNCUT; GIRTH OR LENGTH?

Eve: "I'd say uncircumcised and girth over length any day. But all that really matters is that you know what you're doing."

Bailey: "Circumcised. They're more sensitive and easier to give an awesome blow job to. And girth over length; no-one wants to feel decapitated, but the feeling of being filled by a good-sized cock with someone who knows what to do with it, rocks better over a long one any day."

$400 HOMIE OF THE WEEK

EVIE
CALOUNDRA, QLD

DAYS spent lying on the beach passing around goonbags and smoking ELECTRIC CABBAGE sound like days well spent to us. But to19-year-old Evie they're nothing but wasted time. "I need to get a job and stop bumming about so much," explained the BUSTY teen. "I spend too much time at the beach with my friends and not enough time looking for work and being productive." ***What kind of work are you looking for, Evie? Maybe we can help you out…*** "I'm not really sure, I quite enjoyed having my pictures taken nude so maybe I could become a model!" ***We wouldn't argue with that. Do you have a boyfriend at the moment?*** "Nope, completely single. In fact, I've never had a boyfriend." ***Are you on the lookout?*** "Not really. If a guy came along, then I wouldn't say no, but I'm happy right now." ***Are you making the most of being young and single?*** "I don't really sleep around, I might hook up with a guy if I'm out, but I won't have sex with him unless he's a potential partner." ***What about chicks? Play a bit of TONSIL HOCKEY with your mates?*** "I have, but it's not a regular thing." **CUT OR UNCUT; GIRTH OR LENGTH?** "I've only ever seen

GO FACT YOURSELF!

AC/DC

01. It was Angus and Malcolm Young's sister Margaret who named the band, after a label on her sewing machine. It had something to do with electricity, and nothing at all to do with Satan.

02. Although we call them Acca Dacca here, nowhere else in the world are they referred to as that. The rest of the world is stupid, eh.

03. 1980's *Back In Black* is the second highest selling album in history, with an estimated 50 million copies sold worldwide. Buy a spare today!

04. Before Angus adopted his schoolboy stage get-up, he experimented with Spider-Man, Zorro and gorilla costumes, and one he called Super-Ang, which was kind of a superhero thing.

05. Brian Johnson is a massive petrolhead, and owns a garage full of classic cars. He's even appeared as a guest on *Top Gear* (series 18, episode four).

06. AC/DC have recorded 21 songs with the word "rock" in the title. None, however, with the word "smoo", which is an oversight on their part.

07. Celine Dion covered *You Shook Me All Night Long* in concert in 2002, and Shania Twain did it in 2004 on her *Up! Close & Personal* live album. Both versions were shit.

08. The band has a street named after them in Melbourne. No, no, it's not Swanston St – it's ACDC Lane, you idiots!

09. Angus had to teach Arnold Schwarzenegger all his moves for Arnie's appearance in the video for 1993's *Big Gun*. "It was kind of funny watching this very big guy in a school uniform," said Ang.

SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom
